

Hey ALD Members!

I just wanted to tell you about an amazing opportunity to go on a service trip to New Orleans over winter break and Appalachia in Kentucky over spring break. The Newman Center is sending out the invitation for all UMASS students to attend one of these incredible experiences! I went on Alternative Spring Break last year to Mississippi, and it was without a doubt the most memorable thing I have even done. The New Orleans trip will be from January 11-20. The Kentucky trip will be over spring break as I stated earlier. The cost is a little over 200 dollars, but there are ways it can be alleviated. There is a meeting at the Newman center this Sunday at 8pm. I encourage you all to check it out as it would definitely be worth your time. If you are interested you can meet me around 7:45. I can tell you more about it. I can be reached at 508-631-6033 or via email. Thanks! Have a great weekend

Kelly Quinn
