Assigned: Apr 7, 2005, Due: Apr 12, 2005

## **Assignment 8**

Write a 500 word report on Prof. Werle's lecture on Native American Languages. In 500 words, you cannot summarize everything he talked about. Therefore you should pick one or two of the topics that he touched upon and write about them. It is ok if your report exceeds the 500 word limit marginally.
