Born: December 9, 1935, Voronezh, Russia

Education

1992 **Degree:** Dr. of Science (Doctor of Fiziko-Matematicheskikh Nauk)

Dissertation: “Semantics of Logic Programming Languages and Asynchronous Parallel Computations”

All-Russian Institute of Scientific and Technical Information of Russian Academy of Science (VINITI RAN)

Moscow, Russia

1968 **Degree:** Ph.D (Kandidat Tekhnicheskikh Nauk)

Dissertation: “Problems of algorithmic processing of texts in formal and natural languages”

All-Russian Institute of Scientific and Technical Information of Russian Academy of Science (VINITI RAN)

Moscow, Russia

1959 Graduated from Kazan Aviation Institute (Russia)

Major: Radio-Engineering and Computer Science

Diploma: Algorithm for translating of chemical structural formulas in linear form and specialized hardware for its implementation

Employment

1961- Present: Research scientist at All-Russian Institute of Scientific and Technical Information of Russian Academy of Science (VINITI RAN), Moscow.

Positions at VINITI:

1992- Present: leading scientific researcher.

1971-92: senior scientific researcher,

1969-71: junior scientific researcher,

1966-69: senior-engineer,

1963-66: senior-constructor,

1962-63: engineer-constructor,

2004- Present: Research Professor of Linguistics, University of Massachusetts, Amherst

2003-04: Adjunct Professor of Linguistics, University of Massachusetts, Amherst

2001-03: Research Professor of Linguistics, University of Massachusetts, Amherst

1960-61: engineer, Institute of Biophysics, Russian Academy of Science

Teaching

1999 University of Leipzig: Visiting Professor: Mathematics for Linguists

1998 Russian University for Humanities, Department of Linguistics: Mathematical Structures of Formal Semantics.

1996 Moscow State University, Department of Linguistics: Formal Semantics

1993 Moscow State University, Department of Linguistics: Databases

1976-84 Institute for Advanced Training of Information Specialists (IATIS): Mathematics, Logic, Informatics, Computer Science, Databases

1969-74 Moscow State Pedagogical Institute of Foreign Languages (now Linguistic University): Mathematical Linguistics

1963-67 Moscow State Pedagogical Institute of Foreign Languages (now Linguistic University): Programming

Short term teaching

July 2005 Lecture series in New York Institute for Cognitive and Cultural Studies, Sanct Petersburg: Formal and Lexical Semantics (joint with B.H.Partee)

April 2005 Three lecture series in Spain: University of La Coruña, La Coruña, University Pompeu e Fabra, Barselona and Rovira i Virgili University, Tarragona, Formal and Lexical Semantics (joint with B.H.Partee)

- July 2003 Lecture series in New York Institute for Cognitive and Cultural Studies, Sanct Petersburg: Formal and Lexical Semantics (joint with B.H.ParTEE)
- Oct 2003 University of Copenhagen, Master Class on Formal and Lexical Semantics, joint with B. ParTEE
- 2002, 2000, 1998, 1996 Lecture series in Mathesius Institute, Charles University, Prague, Semantics of formal and natural languages (joint with c B.H.ParTEE)
- Aug. 2001 University of São Paulo, Brazil. One-week course in formal and lexical semantics and the semantics of possessives, (joint with c B.H.ParTEE)
- Jan. 2000 School in Computational Linguistics, Kolding, Denmark Formal semantics and lexical semantics, together with B.H. ParTEE
- July 1999 Summer School, Netherlands Graduate Program in Linguistics (LOT), University of Potsdam. Formal semantics and lexical semantics, together with B.H. ParTEE
- May 1998 School in Computational Linguistics, Kolding, Denmark, Formal semantics and lexical semantics, together with B.H. ParTEE
- Jan.1997 Winter School, Netherlands Graduate Program in Linguistics (LOT), University of Nijmegen, (formal semantics and lexical semantics, together with B.H.ParTEE)

Grants

- 2000-07 Co-PI of NSF Grant BCS-0418311: The Russian Genitive of Negation: Integration of Lexical & Compositional Semantics, (Principal Investigator B.H.ParTEE, University of Massachusetts), 9/04 – 8/07.
- 1999-03 Co-PI of NSF Grant BCS-9905748: Integration of Lexical & Compositional Semantics: Genitives in English and Russian (Principal Investigator B.H.ParTEE, University of Massachusetts), 9/99 – 8/03.
- Jan. –July 1997 Grant COBASE, National Research Council of the (U.S.) National Academy of Sciences: Towards an Integration of Formal and Lexical Semantics: Meaning Postulates and Fine-grained Sortal Structures (Principal Investigator B.H.ParTEE, University of Massachusetts: Grant for Collaborative research.
- 1996-98 Grant of Russian Foundation of Fundamental Investigations: Natural language as naive mathematics
- 1995 Grant of Russian Foundation for Humanities: Editing works of Lidia Knorina
- 1993-95 Grant of Russian Foundation of Fundamental Investigations: Vegetative Model of Computation
- 1989-90 Grant of Division of Informatics of Academy of Science of USSR: Parallel Implementation of Logic Programs

Other Activities

- Member of editorial board for "Semiotics and Informatics"
- Member of Association for Computational Linguistics
- Member of Association for Logic Programming

Languages:

Russian (native), English, Polish.

Research Areas:

Formal and lexical semantics

Databases: Logical structure and semantics

Semantics of programming languages, including Logic Programming

Theory of asynchronous parallel computations

Information retrieval and scientific information

Mathematical linguistics: formal grammars and syntactic analysis

Publications :**Book :**
