

The Longer Term Paper Option

Students choosing to do so may elect to write a 10-15 page term paper on a pre-approved topic of choice. This longer term paper option will be worth 50 points, and is meant to be a substitute for the unit three paper/shorter term paper option. The due date for the longer term paper is December 21st by 11:59 p.m. to be submitted via email to jamesj@philos.umass.edu
