

LYN FRAZIER

Department of Linguistics
South College
University of Massachusetts
Amherst, MA 01003
(413) 545-0889

home: 114 Amherst Road
Pelham, MA 01002
(413) 253-2136

EDUCATION:

University of Connecticut, Storrs, CT:

Doctor of Philosophy, Linguistics, 1978

Dissertation Topic: On Comprehending Sentences: Syntactic Parsing Strategies

Dissertation Advisor: Janet Dean Fodor

Master of Arts: Linguistics, 1976

University of Wisconsin, Madison, WI:

Bachelor of Arts, Linguistics, 1974

PROFESSIONAL EXPERIENCE:

1988- Professor, Department of Linguistics, University of Massachusetts

1985-1988 Associate Professor, Department of Linguistics, University of Massachusetts

1979-1985 Assistant Professor, Department of Linguistics, University of Massachusetts

1978-1979 Visiting Assistant Professor, Department of Linguistics, Univ. of Massachusetts

GRANTS:

NSF Research Grant: Language Processing in Reading, with K. Rayner, November 1979-1982;
January 1986-1988, 1992-1994.

NIMH Research Grant: Comprehending Sentences with Long Distance Dependencies, with C. Clifton,
March 1981-May 1984 continued as

NIH Research Grant: Sentence Comprehension, with C. Clifton, June 1984-May 1993, 1993-1997,
1998-2002

NIH Research Grant: Language Processing During Reading, with K. Rayner, January 1983-1986;
1989-92, 1996-99.

NICHD Training Grant on Language Comprehension (Charles Clifton, PI; Thomas Roeper, John
Kingston, Keith Rayner, Jill de Villiers, Co-PIs) 1984-1993, 1993-1997, 1999-2004.

NSF Research Grant BCS-0090674: Prosody in Language Comprehension, with C. Clifton, 2001-
2004

NIH Research Grant: Eye movements in Reading with K. Rayner, 1999-2006.

NIH Research Grant HD-18708: Language Comprehension with C. Clifton 2002-2007; 2008-2013.

VISITING SCIENTIST / RESEARCH FELLOWSHIPS / AWARDS

Max-Planck-Institut fur Psycholinguistik, Nijmegen, The Netherlands (Language Universals Project).

Spring 1985, July 1986, Spring 1987, July 1988, July 1991, July 1993, November 1994, November 1995.

MIT Center for Cognitive Science, Fall 1986.

Netherlands Institute for Advanced Study in the Social and Behavioral Sciences, Fellowship, Wassenaar, The Netherlands, 1989-90.

University of Massachusetts Outstanding Research Fellowship 1993-1994 (Taken Spring 1994 - Fall 1994)

Center National Research (CNR), Rome (April 1996)

Max Planck Institute for Cognitive Neuroscience, Leipzig (July 1997)

Nominated for 1900-1991, 1994-1995, 1996-1997 Distinguished Teachers Award, College of Arts and Sciences.

European Summer School on Psycholinguistics, Bressanone, Italy (June 1997)

LOT Summer School in Linguistics, Potsdam, Germany (July 1999)

College Outstanding Teacher Award (2000)

European Summer School, Leipzig, Germany (summer 2006)

Visiting scientist, University of Potsdam, Germany (October 2008)

Leverhulme network on context and communication (2007-2010)

Center for Advanced Study, Oslo, Norway. Project on cross-language meaning (2010-2011, in situ August 15-30, 2010, June 1-15, 2011)

College Award for Outstanding Contributions in Research (2011)

PROFESSIONAL ACTIVITIES:

N.S.F. Linguistics Advisory Board, 1990-1992

European Project on Language and Event-Related Potentials (Levelt, Brown and Hagoort) Scientific Advisory Board.

Co-organizer (with Professors Clifton and Rayner) of Sixth Annual CUNY Sentence Processing Conference, Amherst. March 8-10, 1993.

Max-Planck Institute Fachbeirat (Scientific Advisory Council) 1994-1998

De Vincenzi Foundation (President Scientific Advisory Council 2008-2011, 2011-2014)

External review, Department of Linguistics, UC Santa Cruz (2009)

External review, Ph.D. Program in Linguistics, CUNY Graduate Center (2011)

REVIEWS AND EDITORIAL BOARDS

Co-Editor, Springer Publisher, Studies in Theoretical Psycholinguistics Series.

Syntax (editorial board)

English Linguistics (editorial board)

Journal of Psycholinguistic Research (editorial board)

Semantics and Pragmatics (editorial board)

Journal of Semantics (editorial board)

Reviewer for Journal of Memory and Language, Cognition, Language and Cognitive Processes
Cognitive Psychology, Linguistic Inquiry, Language, Language Typology, Language and Linguistics
Compass, Journal of Experimental Psychology, among others.

Abstract reviewer for Northeastern Linguistic Society, Boston University Language Development Conference, Linguistic Society of America, CUNY Conference on Human Sentence Processing, Architectures and Mechanisms of Language Processing and West Coast Conference on Formal Linguistics, Japanese/Korean Linguistics Workshop, Semantics and Linguistic Theory, Cognitive Science.

TALKS AND POSTERS:

"On the perception of /w,l,y/ and categorial perception", 91st meeting of the Acoustical Society of America, Washington, DC, April 1976.

"Visual perception of sentences with temporarily ambiguous clause boundaries", Linguistic Society of America Annual Meeting, Chicago, December 1977.

"Towards a parsing explanation of word order typologies", Linguistic Society of America Annual Meeting, Boston, December 1978.

"Parsing strategies are not arbitrary", University of Massachusetts, Department of Psychology, October 1978.

"Shared components of production and perception" (comments on M. Garrett's paper). Sloan conference on Neuro-linguistics, University of Massachusetts, November 1979.

"Processing and re-processing sentences". University of Connecticut Linguistics Department, March 1980.

"Towards explanatory theories of psycholinguistics". Indiana University Linguistics Club, March 1980.

"Comprehending sentences with multiple-filler gap dependencies", with C. Clifton. Psychonomic Society Annual Meeting, St. Louis, November 1980.

"On-line processing", presented at Sloan Retreat, Cape Cod, June 1980.

"Eye movements in the analysis of structurally ambiguous sentences", with K. Rayner, presented at the Linguistic Society of America Annual Meeting, San Antonio, December 1980.

"Constraints, control and strategies in sentence comprehension", presented at Sloan Workshop on

Modelling Human Parsing Strategies, Austin, March 1981.

"Processing sentence structure", presented at Sloan Workshop on Eye Movements in Reading, University of Massachusetts, Amherst, June 1981.

"The garden path theory of comprehension", presented at the University of Pennsylvania, Philadelphia, November 1981; Mount Holyoke College, January 1984.

"General complexity metrics for natural language sentences", presented at Ohio State Conference on "Syntactic Theory and How People Parse Sentences, May 1982.

"Processing linguistic structures", presented at McGill University Workshop, September 1982.

"Parallel structures", presented at University of Massachusetts, September 1983.

"Lexical expectations", with C. Clifton. Presented (by Clifton) at Annual Psychonomics Society Meeting, San Diego, November 1983.

"Resolution of syntactic category ambiguities", with K. Rayner. Presented at Annual Meeting of the Linguistic Society of America, Minneapolis, December 1983.

"Modularity in the sentence processor", presented at the University of Illinois, Champagne, January 1984.

"Sentence parsing", presented at Brown University, November 1984.

"Modularity and the representational hypothesis", presented at Northeastern Linguistic Society, November 1984.

"Island constraints in parsing", presented at Cognitive Science Meeting, University of Massachusetts, November 1984.

"Modularity and sentence processing", presented at University of Southern California, December 1984.

Overview of my research on sentence processing:

University of California, Irvine, December 1984

University of Koln, W. Germany, February 1985

Aachen Medical School, W. Germany, February 1985

Max-Planck-Institut, Netherlands, February 1985

University of Padua, Italy, March 1985

Tilburg University, Netherlands, March 1985

University of Lund, Sweden, March 1985

Rijksuniversiteit, Leiden, Netherlands, April 1985

University of Amsterdam, Netherlands, April 1985

University of Mohamed V, Rabat, Morocco, May 1985

"On parsing explanations of language universals", Max-Planck-Institut, Netherlands, March 1985.

"LF: A psycholinguistic perspective", Conference on LF and Mental Representation, Great Windsor Park, England, April 1985.

"Syntactic processing--evidence from Dutch", Max-Planck-Institut, Netherlands, May 1985.

"Comments on paper by Slowiaczek & Carroll, Clifton, and Altmann", Conference on Modularity in Knowledge Representation and Natural Language Understanding", Hampshire College, June 1985.

"Theories of sentence processing", (invited) Cognitive Science Society Annual Meeting, Irvine, California, August 1985.

"Processing Dutch":

Cognitive Psychology, University of Massachusetts, December 3, 1985.

Linguistics Dept., University of Arizona, March 14, 1986.

Cognitive Science, University of Pennsylvania, April 18, 1986.

University of Rochester, May 2, 1986

"Modularity", Cognitive Science, University of Arizona, March 13, 1986.

"Comments on Steedman", Conference on Lexical Representation, Max-Planck Institut, Nijmegen, The Netherlands, July 2, 1986.

"Sentence processing: A tutorial review", Attention and Performance XII, Great Windsor Park, England, July 12, 1986.

"Natural classes in language processing", MIT Cognitive Science Series, Cambridge, November 1986.

"Sentence processing: A grammatical approach", Brown University Cognitive Science Series, Providence, December 1986.

"Syntactic parsing strategies: Psycholinguistic universals?", Princeton, December 1986.

"Parsing with chains", Department of Linguistics, University of Groningen, Netherlands, May 1986.

"Taking on semantic commitments: Processing multiple meanings vs. multiple senses", with K. Rayner. Linguistic Society Annual Meeting, San Francisco, December 1987.

"Mediated Relations in Parsing: Processing that trace in Dutch" Max Planck Institute, Nijmegen, Sept. 1989; Linguistics Department, Tilburg, October 1989.

"Ambiguity Disambiguated", NIAS, November 1989.

"The Role of Grammar in Language Processing", CNR (National Research Council), Rome, November 1989.

"Identifying Structure under Xo", Workshop on "When Words are Phrases", Nijmegen, December 1989.

"Lectures on Language Processing", Human Communications Research Center, Working group of anaphora, Edinburgh, March 1990; Psychology Department, University of Glasgow, March 1990.

"Paths vs. Chains", Linguistic Association of Great Britain, Annual Meeting, Cambridge, April 1990.

"Parsing", at Department of Psychology, Barcelona, July 1990.

"Parsing and the ECP" at GB Parsing Workshop, Geneva, June 1990.
Symposium on Theoretical and Experimental Linguistics, University of Connecticut,
November 1990.

"Parsing novel words", University of Texas, February 1991.
Five College Psycholinguistics Meeting, March 1991.
University of Delaware, May 1991.

"Interpreting reflexives", University of Delaware, May 1991.

"Comments on Fodor's modularity hypothesis," MIT Cognitive Science Colloquium Series, November 1991.

"Subject preferences in anaphor interpretation", with H. Rullmann. Presented to Five-College Psycholinguistics Circle, December 1991.

"Processing Dutch sentence structures", Presented at Fifth Annual CUNY Sentence Processing Conference, March 1992.

"Construal and the processing of nonprimary relations." Presented at the Annual Meeting of the Linguistic Society of America, Los Angeles, January 1993.

"Sentence (Re-)Analysis" presented at the Seventh Annual CUNY Sentence Processing Meeting, New York, March 1994.

"Current issues in parsing", - Rome, CNR, June 1994.
- Geneva, Linguistics, June 1994
- Exeter, invited keynote address for Experimental Psychology Society of Great Britain, July 7, 1994

"On (immediate) interpretations", Lake Geneva Language Processing Conference, Wis. July 30, 1994; University of California at San Diego, January 1995.

"Models of sentence processing" presented at Aix-en-Provence, November, 1994.

"Reanalysis and Visibility" MIT, May, 1995.

"Syntactic processing complexity," Einstein Forum, Potsdam, May 18, 1995.

"On interpretation: Minimal lowering" - Freiburg, Germany, November 1995
- Konstanz, Germany, November 1995
- Nijmegen, Holland, November 1995
- Edinburgh, Scotland, November 1995

"Construal: Overview, motivation and evidence" with C. Clifton - CUNY, March 1996
- Rome, April 1996
- Trieste, April 1996
- Padua, April 1996

"Syntactic Processing" Keynote address at opening ceremony for the Center for Cognitive Science,

Leipzig, Germany, July 1997.

"Issues in parsing" Linguistics Department, U of Jena, Germany, July 1997.

"Feature manipulation"

- Workshop on Case, Max Planck Institute for Cognitive Neuroscience, Leipzig Germany (July 1997)
- CUNY Linguistics Dept. Oct 23, 1997

"Reanalysis and Visibility" with C. Clifton, Workshop on Reanalysis. CUNY Conference, New Brunswick, March 1998.

"Processing multiple filler-gap structures in Russian", poster with I. Sekerina. CUNY Conference on Sentence Processing.

"Feature manipulation" poster with P. Deevy and C. Clifton. CUNY Conference on Sentence Processing.

"Parsing and Memory" Presented at Workshop on Cognition, Grammar and Aging, Sedona, Arizona, March 1998

"On bound variable interpretations"

- Cornell University (November 1998)
- Konstanz, Germany (December 1998)
- CUNY Sentence Processing Conference (March 1999)

"Depth-first or breadth-first parsing: Do unpreferred interpretations disrupt reading when they're anomalous" C. Clifton, E. Villalta, M. Mohammed and L. Frazier. Presented by C. Clifton at AmLAP, Edinburgh, September 1999.

"Prosodic boundaries in adjunct attachment," K. Carlson, Clifton and L. Frazier. Poster presented at CUNY conference on Human Sentence Processing. San Diego, March 2000.

"Parsing coordinates." Talk presented to Linguistics Department, University of Southern California, March 2000.

"Processing ellipsis." Smith College, April 5, 2001

"The Syntax-discourse divide," Conference on Crossing Boundaries, Utrecht, July 3, 2001

"Informative prosodic boundaries," Conference in Prosody in Language Processing. Utrecht, July 5, 2001

Series of lectures on processing, Visiting Professor, Humboldt University, Berlin. January 28 - February 6, 2002.

"Language, Cognition and Brain," Workshop, University of Delhi, New Delhi, India, February 6-16, 2002.

"Syntax-semantics interface: LF and beyond," CUNY conference on Human Sentence Processing, NY, March 21, 2002.

“The syntax-discourse interface: Processing ellipsis” GLOW workshop, Utrecht, The Netherlands, April 12, 2002.

Series of lectures on processing language, Visiting Professor, Dept of Psychology, University of Padua, Italy, April 2002.

“Pertinacity in processing,” University of Konstanz, July 11, 2002.

“Interpretation of leftward-moved constituents.” Workshop on Language-specific Discourse-linking. ZAS, Berlin, October 12, 2003.

“Processing silence.” Workshop on Ellipsis. Santa Cruz. January 17, 2003.

“Computing scope: The importance of reconstruction,” with Markus Bader. Poster presented at CUNY, Boston, 2003.

Lectures at the University of Milan - Bicocca (June 12-17, 2003)

“Processing ellipsis”

“The syntax-semantics interface and processing”

“Underspecification”

“When basic meanings are (not) enough: Scalar implicatures in adult comprehension.” Workshop on scalar implicatures, University of Milan - Bicocca, June 18, 2003.

“Sluicing is affected by focus, but how?” Carlson, Dickey, Frazier and Clifton. Amlap, Glasgow, August 25, 2003.

“The syntax-discourse interface: Processing ellipsis” Plenary address, Linguistic Society of America, Boston. January 8, 2004.

“The processing of mass and count” Frisson, S. and Frazier, L. (2004) Poster presented by Frisson at AmLap, Aix-en-Provence. September 18, 2004.

“Default focus structure in sentence processing” Potsdam, Germany. October 1, 2004.

“Sentence processing and ellipsis” presented at the University of Maryland, November, 2004; presented at the Centre for Research on Language and Mind, Montreal, December 3, 2004.

“Parallel positions.” Carlson, K., Clifton, Jr., C., and Frazier, L. Poster presented at CUNY Conference on Human Sentence Processing, College Park, MD, March 25-27, 2004

“Discourse processing and prosodic boundaries” Carlson, K., Frazier, L., & Clifton, C., Jr. Poster presented at CUNY Conference on Human Sentence Processing, College Park, MD, March 25-27, 2004.

“Processing English Left-dislocations and Topicalizations” Christianson, K. and Frazier, L. Poster presented by Christianson at the 45th Annual Meeting of the Psychonomic Society. Minneapolis, November 19, 2004.

“How contrastive is contrastive focus?” Carlson, K., Frazier, L. And Clifton, Jr., C. Talk presented at the CUNY Conference on Human Sentence Processing, Tucson, Az. April, 2005.

“How multiple prosodic boundaries work” Carlson, K., Clifton, Jr., C. And Frazier, L. Poster presented

at the CUNY Conference on Human Sentence Processing, Tucson, Az. April, 2005.

“Subcategorization possibilities trigger syntactic expectations: Evidence from processing Heavy NP Shift” Staub, A., Clifton, Jr., C. and Frazier, L. Poster presented at the CUNY Conference on Human Sentence Processing, Tucson, Az. April, 2005.

“Structuring silence: Processing VP ellipsis” Colloquium at Linguistics Department, CUNY Graduate Center. April 21, 2005.

“Processing English Left-dislocations and Topicalizations” Christianson, K. and Frazier, L. Poster presented by Christianson. Presented at Architectures and Mechanisms of Language Processing, Ghent, Belgium, September, 2005.

“Processing ellipsis” Colloquium at University of Maryland, October, 2005.

“Processing sentences with multiple prosodic boundaries” Carlson, K., Clifton, C., and Frazier, L. Linguistic Society of America Annual Meeting, January, 2006.

“Information structure constraints on word order in processing English” Stolterfoht, B., Frazier, L., and Clifton, C. Conference on linguistic evidence, Tübingen, February 2-4, 2006. (Also CUNY Conference on Human Sentence Processing, March, 2006.)

“Effects of constituent length on boundary informativeness” Carlson, K., Clifton, C., and Frazier, L. Talk at the CUNY Conference on Human Sentence Processing, March, 2006.

“Pitch accents affect ambiguity resolution” Carlson, K., Frazier, L., and Clifton, C. Poster at the CUNY Conference on Human Sentence Processing, March, 2006.

“Ambiguity resolution and dynamic interpretation” Invited talk at workshop on ambiguity resolution, University of Southern California, April 1, 2006.

“Processing scales: Processing absolute scalar adjectives” Colloquium at Department of Linguistics, University of Southern California, April 3, 2006. (Also at workshop on scalar adjectives, University of Chicago, May, 2006).

“Processing accommodation: The big fish in a small pond” Workshop on accommodation (Invited talk), The Ohio State University, October 13-15, 2006.

“Attachment preferences revisited.” (Invited talk) Chieti, Italy. January 18, 2007.

“Focus in sluicing interpretation” Carlson, K., Walsh Dickey, M., Frazier, L. and Clifton, C. CUNY, March 2007, San Diego

“Processing Ellipsis: A Processing solution the the undergeneration problem?” (Invited talk) West Coast Conference on Formal Linguistics, Berkeley, Ca. April, 2007.

“Explorations in ellipsis: The grammar and processing of silence” (Invited talk) Linguistic Evidence 2008. Tübingen, Germany. January, 31, 2008.

"The puzzle of processing any in subtriggering contexts" with P. Menendez-Benito & K. Rayner, Poster presented at CUNY Conference, Chapel Hill, March 2008.

"Computing scalar implicatures" (invited talk) Semantics and Linguistic Theory, Amherst, April 2008

"Interpreting indefinites" with M. Bader. Edinburgh, Scotland, May 2008.

"Explorations in ellipsis" Rutgers University, September 12, 2008.

"Processing ellipsis" University of Kent, Canterbury UK, September 19, 2008.

"Is GE parsing good enough?" Padua, Italy, October 2, 2008. (Also in Rovereto, October 3, 2008.)

"The influence of adjectival modifiers on the processing of anaphoric dependencies." Weingertner, Kristin and Frazier, Lyn. Poster presented at the Psychonomics Society, Chicago. November 15, 2008.

"Intonational constraints on sentence processing" Potsdam workshop on prosody,. Potsdam, Germany, January, 2009.

"A recycling approach to (processing) ellipsis" Diagnosing Syntax workshop, Leiden, the Netherlands, January, 2009.

"Explaining syntax: The role of acceptable ungrammaticality" Workshop on Formal and Functional Explanations in Syntax, York, UK, April 2010.

"Inaudible syntax," joint talk with Jason Merchant. Leverhulme workshop on Context and Communication. San Francisco, September 2010.

"Ellipsis and Acceptable Ungrammaticality." Yale Linguistics Department Colloquium. January 28, 2010.

"Pragmatic constraints Influence the restoration of optional subjects" Mack, J., Clifton, Jr., C., and Frazier, L. Talk presented at 24th Annual CUNY Conference, Stanford. March 26, 2011.

"Processing and domain selection: Quantificational variability effects" Harris, J., Clifton, Jr., C. And Frazier, L. Poster presented at 24th Annual CUNY Conference, Stanford. March 25, 2011.

"Towards a theory of processing question-answer relations" University of Chicago Colloquium, April 14, 2011; Northwestern University, April 15, 2011; Tuebingen, Germany, May 12, 2011; Paris June 2011, Université René Descartes - Paris 5.

"At the Edge of Grammar" UCLA, October 7, 2011

"Superiority effects in English and German – equal or similar?" Jana Häussler, Meg Grant, Gisbert Fanselow and Lyn Frazier. Talk presented at Linguistic Evidence 2012 Conference, Tuebingen, Germany, February, 2012.

"Processing ellipsis: Explorations at the edge of grammar," invited plenary talk at the German Linguistics Society Annual Meeting, Frankfurt, March 9, 2012.

"Two interpretive systems for natural language?" invited plenary talk at the 25th Annual Conference on Human Sentence Processing, CUNY, New York, March 14, 2012.
