

“HOMEWORK” No. 0: Participant Questionnaire [“Anketa”]

Please answer the following questions for me; answers can be in Russian except for question 6. Please write clearly and legibly. Short answers: no more than 2 pages total.

Anketa due at the time of Lecture 2.

1. Your name
2. Your “status” — 2nd,3rd, ..., year student in the linguistics program, or other.
3. (Briefly) How much / what kind of the following have you studied?
 - a. Semantics
 - b. Syntax
 - c. Logic
 - d. Mathematics
4. a. Estimate your knowledge of English (poor, fair, good, very good) in
(i) reading; (ii) writing; (iii) listening; (iv) speaking.
 - b. Were you able to understand most of my lecture?
 - c. Do you have any suggestions that will make it easier for you to understand me?
5. What other languages do you have some knowledge of? What languages have you done some linguistic work on, or are planning to in the future?
6. Write two or three sentences in English about what areas of linguistics you are most interested in and what you might like to do for a future career.
7. Write one or two sentences in Russian about why you are taking this course and what you hope to learn from it.
