

Study Guide for Quiz 3 – Final Official Version

1. [deleted]
2. PEE the Argument from Meteorology. What does this argument reveal about the importance of having a clear concept of God?
3. Present and fully explain the official Phil 100B definition of the concept of God. Be sure to define any technical terms that appear in your account.
4. What are the traditional perfections? Explain their definitions. [parts deleted here] What other properties is God traditionally thought to have?
5. EE* three versions of the Sandbox Cosmological Argument. Draw and explain appropriate diagrams to illustrate the arguments.
6. EE* Paley's Argument from Design.
7. [deleted]
8. Give rationales and definitions for Anselm's Ontological Argument.* Present Gaunilo's Parody and discuss what it shows about Anselm's Argument. Discuss the relevance of the example presented in class concerning the universal creditor.
9. EE* the argument about the Problem of Evil. Be prepared to discuss several possible replies.
10. Be prepared for a required extracto.

*If this is on the quiz, the argument itself will be provided on the second page of the quiz.
