5 – 6 November 2005

Call for papers

The primary aim of the workshop is to give graduate students an opportunity to present and discuss their work in a collaborative environment. Faculty may also present, but priority will be given to graduate students.

The workshop will be held at UMass on 5-6 November 2005. Sessions will start Saturday 5 November at 1pm and the workshop will close around 2pm on Sunday 6 March.

Each paper will be allocated about 45 minutes (20 minutes for presentation, 10 minutes for comments by a discussant and 15 minutes for general discussion).

Send paper proposals (including title and abstract) and offers to act as a discussant to:

Willi Semmler (semmlerw@newschool.edu)

and

Peter Skott (pskott@econs.umass.edu).

The closing date for proposals is 7 October. A preliminary program will be drawn up by 14 October. Completed papers must be available not later than Friday 21 October.
