

*Some Objections to Materialism*

The Argument from Consciousness

1. I am conscious.
2. If I am conscious, then I have a mind.
3. If I have a mind, then TM is false.
4. Therefore, TM is false. 1,2,3 MMP

The Argument from Mindful Sentences

1. Some mindful sentences are true.
2. If some mindful sentences are true, then there are minds.
3. If there are minds, then TM is false.
4. Therefore, TM is false. 1,2,3 MMP

First Platonic Argument from Death (based on definition)

1. When Socrates died, his body separated from his soul.
2. If, when Socrates died, his body separated from his soul, then Socrates had a soul.
3. If Socrates had a soul, then TM is false.
4. Therefore, TM is false. 1,2,3 MMP

Second Platonic Argument from Death (based on Leibniz's principle) (48)

1. When Socrates died, he ceased to exist.
2. When Socrates died, his body did not cease to exist.
3. Therefore, (1) & (2). 1,2 Conj
4. If (1) & (2), then Socrates was not identical to his body.
5. If Socrates was not identical to his body, then TM is false.
6. Therefore, TM is false. 3,4,5 MMP
