1. Create a family tree for your family.

2. You need to show 10 members of the family.

3. You may use drawings, magazine pictures, photographs, etc. for each family member. Have fun! DO NOT CUT UP FAMILY PICTURES WITHOUT PERMISSION!!!

4. You must include four grandparents, two parents and yourself, others as needed.

5. Write each person’s name under their picture. Also label each picture with the Latin family word that applies to it.

6. Number each person and write a Latin sentence about each on the back of the tree. You must use the pattern sentences on this sheet. Use each sentence once inserting the proper words in the proper cases. You may choose any of the sentence patterns for the remaining three people.
Pattern Sentences

Use each sentence pattern for one family member, then choose any three to use for the last three family members. You **MUST** use each pattern at least once.
