Our Programs Include...

Nurse Aide: Eight week program prepares you to be a Certified Nurse Aide ready for immediate employment. Includes clinical and classroom experiences that will fully prepare you to take the American Red Cross nurse aide exam.

Office Systems Technology: Develop clerical skills and comfort with computer programs such as QuickBooks software. 36-weeks.

We also offer resume preparation and career guidance.

Ready yourself for college, or find a career that's right for you.

Students can also tailor their courses to fit their specific needs and interests.

Regardless of the path that brought you here, we can help you plot a path to take you where you want to go
