

## ADAM NETZER ZIMMER

Department of Anthropology

215 Machmer Hall

Amherst, MA 01003

Email: [azimmer@anthro.umass.edu](mailto:azimmer@anthro.umass.edu)

Website: <https://people.umass.edu/azimmer>

---

### RESEARCH INTERESTS

- biocultural anthropology, bioarchaeology, forensic anthropology, medical anthropology
- public science communication, Queer Science, Critical Race Theory, violence theory, Nordic studies, history of science
- mass grave excavation, analysis of human anatomical collections, bone trauma biomechanics, bioarchaeology of commingled human remains

### EDUCATION

In progress	Doctor of Philosophy, Anthropology, University of Massachusetts Amherst Dissertation Title: <i>"Prime Harvest": The Bioarchaeology of Cadaver Acquisition in Iceland's Early Medical History"</i>
2016	Master of Arts, Anthropology, University of Massachusetts Amherst Thesis Title: <i>"More than the sum total of their parts: Restoring identity by recombining a skeletal collection with its texts"</i>
2013	Bachelor of Arts in Anthropology and Music (Voice), <i>Magna Cum Laude</i> with honors, Ithaca College

### FELLOWSHIPS, GRANTS, & AWARDS

#### Fellowships and Grants

2022 —	SAPIENS Public Scholars Fellowship, Wenner-Gren Foundation for Anthropological Research (\$2,500)
2021-2022	Armélagos-Swedlund Dissertation Writing Fellowship for Biocultural/Medical Anthropology Research (\$10,000)
2019-2020	U.S. Fulbright-National Science Foundation Arctic Research Grant to Iceland (\$19,300)
2014-2019	National Science Foundation Graduate Research Fellowship (Grant #: 1451512) (\$100,000)
2017-2018	Leifur Eiríksson Foundation Fellowship for Icelandic Research (\$25,000)
2018	Pre-Dissertation Research Fellowship, UMass Amherst (\$2,300)
2015-2019	School of Social & Behavioral Sciences Conference Travel Grant, UMass Amherst (five grants of \$400)

#### Awards

2021	3MT Winner – Three Minute Thesis competition, UMass Amherst Graduate School
2017 <sup>a</sup>	Armélagos-Swedlund Award in Medical/Biological Anthropology, Awarded for outstanding graduate student conference presentation, Department of Anthropology, UMass Amherst
2017 <sup>b</sup>	Richard B. Woodbury Award for outstanding graduate conference paper, Department of Anthropology, UMass Amherst

- 2016 Biological Anthropology Section Student Paper Prize honorable mention, American Anthropological Association
- 2013 Harvey Milk Award for outstanding efforts in awareness and visibility of LGBT issues, Ithaca College LGBT Center for Education, Outreach & Service

## **POSITIONS HELD**

### Professional Positions

- 2021 — Co-Principal Investigator, Rivulus Dominarum Bioarchaeology Summer Program, Baia Mare, Romania
- 2014 — Instructor of Record, various courses, Department of Anthropology, UMass Amherst
- 2014-2018 Taphonomic Research Facility (TRF) Laboratory Manager, UMass Amherst
- 2014-2018 Lead Instructor, UMass Amherst Bioarchaeology & Forensic Anthropology Field School
- 2014-2017 Forensic anthropology workshop instructor, Citizens Police Academy & Summer Police Youth Adventure Academy, Amherst Town Police & UMass Amherst Police Departments, Amherst, MA
- 2011-2013 Forensic Research Assistant, Departments of Anthropology & Chemistry, Taphonomic & Decomposition Post-Mortem Outdoor Laboratory Experiments (TADPOLE) Facility, Ithaca College

### Research Positions and Experience

- 2022 — Bioarchaeologist, Piața Cetății Cemetery Collection, Muzeul Județean de Istorie și Arheologie Maramureș, Baia Mare, Romania
- 2018 — Bioarchaeologist & forensic anthropologist, UMass Community Archaeology Laboratory, UMass Amherst
- 2019-2020 Affiliated Researcher, Læknagarður Medical School, University of Iceland, Reykjavík
- 2017-2018 Affiliated Researcher, Faculty of Social Sciences, University of Iceland, Reykjavík
- 2016-2018 GIS technician & bioarchaeologist, Preliminary bioarchaeological investigations at Bélen, NM, Joint project of UMass Amherst, University of Nevada Las Vegas, Hampshire College, Bélen, NM
- 2015 Visiting Researcher, Smithsonian National Museum of Natural History, Washington, DC
- 2013-2018 Sharp-force trauma analyst & 3D microscopist, “The role of humans in Madagascar's megafauna decline” project, UMass Amherst
- 2013-2018 Forensic anthropologist & bioarchaeologist, Violence & Conflict Laboratory, UMass Amherst

## **TEACHING & STUDENT SUPERVISION**

### Graduate/Undergraduate Mixed Courses at the University of Massachusetts Amherst

- ANTH 588 – Field & Laboratory Methods in Bioarchaeology & Forensic Anthropology: Summer 2015, 2016, 2017, 2018

### Undergraduate Courses at the University of Massachusetts Amherst

- ANTH 312 – Medical Anthropology: Fall 2022, Winter 2023
- ANTH 208 – Human Ecology: Spring 2023
- ANTH 103 – Human Origins & Variation – Fall 2019, Summer 2019, 2020, 2021

### Undergraduate Student Supervising

- Independent Honors course in Human Biological Variation – Summer 2020

### Teaching Assistantships

Human Anatomy Laboratory, Power & Inequality in the United States, Introduction to Archaeology, Race & the American Museum, Human Origins & Variation, Ancient Civilizations, Hip Hop Cultures – Fall 2013 through Fall 2021

## **PUBLICATIONS**

### Peer-reviewed Publications

- 2022 Stone, P.K., **Zimmer, A.N.** “Issues of gender, identity, and agency in paleopathology”. In *The Routledge Handbook of Paleopathology*, ed. Anne Grauer. Cham, Switzerland: Springer International Publishing
- 2018 **Zimmer, A.N.** “More than the sum total of their parts: Restoring identity by recombining a skeletal collection with its texts”. In *Bioarchaeological Analyses and Bodies: New ways of knowing anatomical and skeletal collections*, ed. Pamela Stone. Cham, Switzerland: Springer International Publishing.

### Book Reviews

- 2018 **Zimmer, A.N.** “Re-evaluating the Place of Race in Historical Archaeology”. Review of: “Archaeology of Race in the Northeast”, ed. Christopher N. Matthews and Allison Manfra McGovern. In *Anthropology Book Forum*, Vol. 4, No. 1.

### Public Science Writing

- 2019 **Zimmer, A.N.** “The Era of the Body Snatchers”. *Scientific American*. June 5, 2019.

## **SCHOLARLY PRESENTATIONS**

### Invited Lectures

- 2022<sup>a</sup> “What Does Queer Theory Have to Do with Bioarchaeology?”, Anthropology Capstone Course, Ithaca College, October
- 2022<sup>b</sup> “Queer Theory and Black Feminist Theory in the Bioarchaeological Context”, Forensic and Bioanthropology Laboratory (FAB Lab) Group at Boston University's Program in Forensic Anthropology, September.
- 2021<sup>a</sup> “Queering Studies of Anatomical Skeletal Collections”, Forensic and Bioanthropology Laboratory (FAB Lab) Group at Boston University's Program in Forensic Anthropology, September.
- 2021<sup>b</sup> Keynote Speaker, “Queer Theory & Identified Skeletal Collections”, British Association of Biological Anthropology & Osteoarchaeology Annual Meeting, September.
- 2021<sup>c</sup> “‘Prime Harvest’: Iceland’s Place in the Early Global Cadaver Trade”, National Museum of Iceland Lecture Series, Þjóðminjasafnið/The National Museum of Iceland, September.
- 2021<sup>d</sup> “The Lovers of Modena: How Two Skeletons Changed Our Understanding of Ancient Love”, Odd Salon Shorts - San Francisco, June.
- 2021<sup>e</sup> “Sex, Gender, and Agency in Paleopathology”, Critical Social Inquiry 307, Hampshire College, February.
- 2020<sup>a</sup> “Navigating Graduate School Studies in Anthropology”, Anthropology Capstone Course, Ithaca College, November.
- 2020<sup>b</sup> “Queer Collections: What Queer Theory Can Teach Us About Skeletal Collections”, FAB

- Lab Group at Boston University's Program in Forensic Anthropology, October.
- 2019 “Archaeology & Documents”, Introduction to Archaeology: Humans Past and Present, UMass Amherst, March.
- 2018<sup>a</sup> “Embodiment of Racism”, Power & Inequality in the United States, UMass Amherst, November.
- 2018<sup>b</sup> “Violence or Trauma? What skeletal collections can teach us about violence”, FAB Lab Group at Boston University's Program in Forensic Anthropology, November.
- 2018<sup>c</sup> “From IC to Iceland”, IC Sophomore SOAR Program, Ithaca College, October.
- 2018<sup>d</sup> “Reflexive Violence Theory”, Conquest by Law Honors Thesis seminar, Commonwealth Honors College, September.
- 2017 “What does it mean to study violence through a queer lens?”, Violence in American Culture Honors Thesis seminar, Commonwealth Honors College, April.
- 2015<sup>a</sup> “Fortune’s Bones: A Case Study in Contested Remains”, Race & the American Museum, UMass Amherst, March.
- 2015<sup>b</sup> “The New York African Burial Ground”, Race & the American Museum, UMass Amherst, February.

#### Sessions Organized/Chaired

- 2022 Conference co-founder. *International Conference of the Rivulus Dominarum Bioarchaeology Project*, Muzeul Județean de Istorie și Arheologie Maramureș, Baia Mare, Romania. August 5.
- 2021<sup>a</sup> Passalacqua, N.V. and **Zimmer, A.N.**, Assistant Chair. “Forensic Anthropology: Assessing Sex & Gender” American Association of Physical Anthropologists Annual Meeting, Virtual.
- 2021<sup>b</sup> Skipper, C. and **Zimmer, A.N.**, Assistant Chair. “Forensic Anthropology: Addressing Issues of Variation and Race/ism.” American Association of Physical Anthropologists Annual Meeting, Virtual.
- 2019 **Zimmer, A.N.** and Hurd, K.J., Co-Chairs. “Changing climates in the study of sex and gender: new insights on old theories.” AAA Contributed Session. American Anthropological Association Annual Meeting, Vancouver, BC.
- 2018 Lans, A.J. and **Zimmer, A.N.**, Co-organizers and Co-Chairs. “Black Feminist Science.” AAA Roundtable. American Anthropological Association Annual Meeting, San Jose, CA.
- 2017 **Zimmer, A.C.** and Bauer-Clapp, H.J. Co-organizers and Co-Chairs. “Policing the Dead.” AAA Contributed Session. American Anthropological Association Annual Meeting, Washington, DC.

#### Other Conference Presentations

- 2022<sup>a</sup> Mollard, P., **Zimmer, A.N.** “Forged in Baia Mare: Social relationships and the embodiment of medieval gold mining in a 14<sup>th</sup>-17<sup>th</sup> century Transylvanian cemetery.” European Association of Archaeologists Annual Meeting, Budapest, Hungary.
- 2022<sup>b</sup> **Zimmer, A.N.** “Taphonomic and sharp-force trauma analysis of a non-identified anatomical teaching skeletal assemblage from Reykjavík, Iceland.” American Association of Biological Anthropologists Annual Meeting, Denver, CO.
- 2021 **Zimmer, A.N.** “‘Prime Harvest’: The Role of Cadaver Acquisition for Iceland’s Early Medical Training.” Council of Europeanists Annual Meeting, Reykjavík, Iceland.
- 2019<sup>a</sup> **Zimmer, A.N.** “Queer (re)collections of bioarchaeology & anatomy.” American Anthropological Association Annual Meeting, Vancouver, BC.
- 2019<sup>b</sup> **Zimmer, A.N.** “Understanding Inequality through Icelandic Anatomical Collections.” Roundtable participant - “Fulbright in the Arctic” International Arctic Circle 2019 Assembly, Reykjavík, Iceland.

- 2018<sup>a</sup> **Zimmer, A.N.** Roundtable participant – “Black Feminist Science.” AAA Roundtable. American Anthropological Association Annual Meeting, San Jose, CA.
- 2018<sup>b</sup> Ortiz, L.M., **Zimmer, A.C.**, Stone, P.K., Harrod, R.P. “Perilous Pregnancies, Frail Bodies, and Proper Behavior: A biohistoric analysis of sexual dimorphism and the construction of sex and gender roles.” American Association of Physical Anthropologists Annual Meeting, Austin, TX.
- 2017<sup>a</sup> **Zimmer, A.C.** “Unpacking the definitional violence of skeletal collections in the United States.” American Anthropological Association Annual Meeting, Washington, DC.
- 2017<sup>b</sup> **Zimmer, A.C.** “Using sociological segregation indices to reintroduce geographical relationships in anatomical skeletal collections.” American Association of Physical Anthropologists Annual Meeting, New Orleans, LA.
- 2016 **Zimmer, A.C.** “More than the sum total of their parts: Restoring identity by recombining a skeletal collection with its texts.” American Anthropological Association Annual Meeting, Minneapolis, MN.
- 2015 Mathena, S.A., **Zimmer, A.C.**, Godfrey, L.R., Pérez, V.R. “The Application of 3D Digital Microscopy in Identifying Evidence of Human Butchery of Extant Lemurs.” American Association of Physical Anthropologists Annual Meeting, St. Louis, MO.
- 2013 **Zimmer, A.C.**, DeTuri, V.F., Muller, J.L. “Using citrate concentration to determine postmortem interval of forensically-significant skeletal material.” American Association of Physical Anthropologists Annual Meeting, Knoxville, TN.

- 2018 Rewire & PBS, “500 Queer Scientists Speak Up About STEM Inclusivity,” by Rachel Crowell, June 26, <https://www.rewire.org/our-future/queer-scientists-stem-inclusivity/>
- 2017 Spotlight: Graduate “PhD student in Anthropology receives Leifur Eiriksson Foundation Scholarship for pre-dissertation research”, Department of Anthropology Website, June, <https://www.umass.edu/anthro/spotlight-graduate>

#### **SERVICE**

##### National Service

- 2022 — Executive Committee Student Member At-Large, Biological Anthropology Section of the American Anthropological Association

- 2021 — PRIDE (Peer Review for Inclusion, Diversity, and Equity) Member, Volunteer mentor & fellowship reviewer for LGBTQ+ & other URM in STEM
- 2018-2021 Forensic Archaeology Recovery (FAR) Roster – Active Status Forensic Recovery Volunteer, Society for American Archaeology

#### Editorial Activities

- 2022 Editor, *Being Human*, UMass Amherst Department of Anthropology newsletter
- 2013-2018 Digital/Visual Content Editor, *Landscapes of Violence* journal
- 2015 Managing Editor, *Landscapes of Violence* journal

#### University of Massachusetts Amherst

- 2021 3MT – Three Minute Thesis Judge, UMass Amherst Collegiate Competition
- 2017-2021 NSF Graduate Research Fellowship Program Mentorship panelist
- 2017 Rutgers McNair Scholars Graduate Student Roundtable
- 2014-2016 Steering Committee, Five College Undergraduate Certificate in Violence Studies
- 2014-2015 UMass Amherst Graduate Student Senate, Anthropology Senator

#### Department of Anthropology, University of Massachusetts Amherst

- 2018 — Graduate Student Mentor (Mentees: Cecilia Vasquez, Abigail Thomsen)
- 2021-2022 Graduate Studies Committee, Graduate student representative
- 2018-2019 Woodbury Award Selection Committee, Graduate student representative
- 2014-2018 NAGPRA Repatriation Committee osteologist
- 2015-2017 Interim Laboratory Manager, Violence & Conflict Laboratory
- 2014-2015 NAGPRA repatriation coordinator search committee, Student representative
- 2014-2015 Graduate Student Mentor Coordinator

#### Community/Public Service & Outreach

- 2022 — Executive Board Member - Secretary, Bangsafélagið (Icelandic LGBTQIA+ community non-profit)
- 2020 — Non-profit fundraising outreach graphic designer, The Imperial Sovereign Court of All Connecticut (Hartford-based community fundraising non-profit)
- 2019 Founding member, Bangsafélagið
- 2015-2021 Panelist speaker, SpeakOut LGBTQIA Speakers Bureau, Boston, MA
- 2015 Event facilitator, “Portrait of a Search: A Film by Alicia Calderón”, Documentary screening & public awareness event for los desaparecidos de Ayotzinapa de México
- 2014-2018 Non-fiction Section Chair & Judge, Bisexual Book Awards, Bi Writers Association, NYC
- 2014 “The Buried Life”, Film consultant for bioarchaeology/forensic anthropology, Sundance Institute & Sloan Science-in-Film Initiative

### **ADDITIONAL TRAINING & AFFILIATIONS**

#### Professional Workshops & Trainings

- 2022 National Institute of Justice. “Forensic Fractography of Bone” training
- 2021 “Deep Dive into QGIS”. 12-hour GIS workshop
- 2019 Scientific American & Alan Alda Center for Communicating Science. 5-week science communication/science writing seminar & workshop
- 2019 UMass Institute for Teaching Excellence & Faculty Development. 4-week online faculty course development seminar

- 2018 Society for American Archaeology. “Forensic Archaeology: Theory & Practice” training  
2017 Alan Alda Center for Communicating Science. 8-hour science communication workshop

#### Professional Affiliations

- American Anthropological Association (AAA)
- American Association of Biological Anthropologists (AABA)
- Paleopathology Association (PPA)
- Council for European Studies (CES)
- International Society of Nonbinary Scientists (ISNBS)
- Out in Science, Technology, Engineering, & Mathematics (oSTEM)

#### Languages

- English: Native speaker
- Icelandic: Intermediate reading and intermediate spoken
- Old Norse: Intermediate reading
